

DR. MA KABEER

INTRODUCTION TO DR. MA KABEER

Dr. Abdul Kabeer Machanchery is a respected businessman and humanitarian, whose name has become widely recognized over recent years. Born in 1970 in Kerala India, his journey has been defined by his commitment to both business success and charitable efforts. Kabeer, a long-term resident of Saudi Arabia, has been in the business world for over 30 years and is now expanding his ventures in South India.

Despite his impressive business career, what truly sets him apart is his dedication to making a difference in the lives of others. Through his selfless nature and deep commitment to humanitarian causes, Kabeer is a true gentleman and a real-life hero for many.

EARLY LIFE AND VALUES

From a young age, Kabeer's parents instilled in him the virtues of selflessness and the importance of serving others. This strong foundation inspired him to work towards the betterment of society, particularly for those in need.

Kabeer's business success did not deter him from giving back to the community. Rather, his achievements became a tool for him to uplift others. His commitment to charity and social work has always been a core part of his life, as he believes in sharing his prosperity with those who are less fortunate.

HUMANITARIAN EFFORTS

One of Kabeer's most remarkable contributions to society came during the COVID-19 pandemic. He launched the "Widow Pension Scheme," providing financial support to 250 widows every month. This initiative made a significant impact on the lives of many families who were struggling during the difficult period.

Additionally, Kabeer dedicates much of his time and resources to supporting people who are suffering due to a lack of income. He has always been at the forefront of efforts to improve the lives of helpless individuals, making him a beloved figure in his community.

HIS NOBLE EFFORTS FOR SOCIAL CONTRIBUTIONS

Kabeer holds a key position at the Shihab Thangal Charity Foundation in Palathingal, where he plays an active role in various initiatives. He is also a board member of the Pookkoya Thangal Hospital and Palliative Care, contributing to the well-being of patients and their families.

Over the years, he has championed several social causes, such as tree plantation drives, promoting girl child education, offering scholarships to financially disadvantaged students, and organizing free health check-up camps. His generosity is boundless, and his impact on society is profound.

Abdul Kabeer has truly made a significant impact on society with his selfless efforts. His work has been recognized with an honorary doctorate from the Global Human Rights Trust (GHRT), which is associated with the UN and various central government ministries.

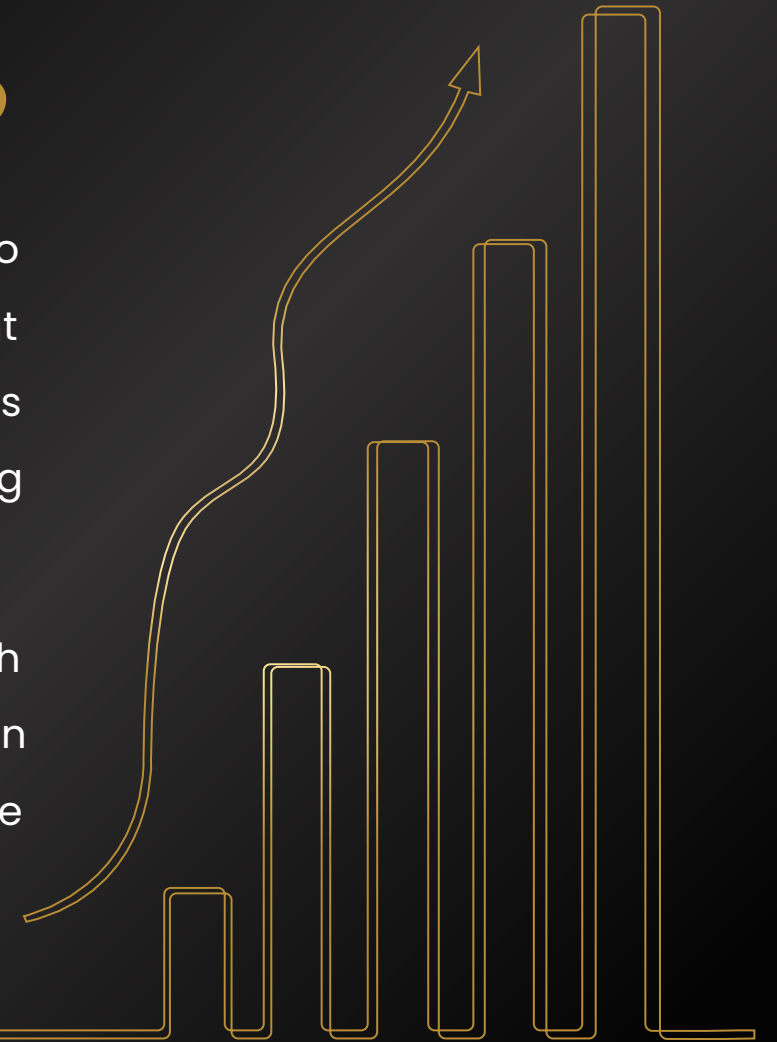

He is deeply loved by people for his kind-hearted nature, and his future endeavors will surely continue to uplift and inspire others.
